## ARTIST 177

---

A diverse song list and an accomplished player and performer ... both elements combine to produce a musician ready to create the mood you want with funk, rock, blues, pop, groove, soul and reggae.

Formats include solo and duo through to a 5-piece band. The larger outfits can feature various instruments including lead guitar, rhythm guitar, bass guitar, drums, saxophone and percussion etc.

Totally live with no midis or backings. Live sets & DJ combo also available.

### Testimonial from a recent client:

*Hi Joelle,  
First and foremost I wanted to thank you for all your assistance in organising the entertainment for our wedding, without your help we certainly wouldn't have been able to have such an amazing performer . I must say we were delighted with him, he was simply outstanding right from the word go, his performance at the ceremony set the scene for a truly amazing day!! His music was perfect for our wedding and his voice was brilliant, I can't speak more highly on how impressed both Soph and I and all our guests were. Please pass on our sincere regards to him and thank him very much from us both. Thanks again.
